### Equipment

### Venue Details

### Hygiene

#### Description

Groups of 5 children with 1 coach. Maximum of 30 children on site.

Games designed to maintain 2m social distance & avoid face to face play.

Minimal equipment used. All equipment cleaned & sterilised by coaches throughout the day.

Large, fully enclosed, outdoor venue. Marques to provide shelter from rain and sun/heat.

Hand sanitiser throughout day. Lunch areas (marquees) & bathrooms cleaned throughout the day.

#### Why?

In line with government & FA guidelines. Maximum of 30 children on site to minimise risk of spreading infection.

In line with government & FA guidelines. Clearly marked areas to ensure younger children understand playing area.

Reducing the use of equipment and regular cleaning minimises the risk of transmitting infection.

Ensures social distancing measures can be implemented (incl. arrival/collection) Outdoor ventilation key to reducing transmission risk.

#### Updates

We will inform you of any changes to our measures based on updates to the government & FA guidelines.
